

### Opticart

The Animal Care Systems Opticart is the ideal storage and transport solution specifically designed to carry the Optimice® bottle basket. Its durable, all-stainless steel construction is well-suited to the laboratory environment and also provides universal storage and transportation capability. It is fully autoclavable even when loaded.

### C79340 Opticart

- Weight: 33 lbs (15 kg)
- ACS bottle basket capacity: 27 baskets (405 Optimice water bottles), three baskets per level
- 304 stainless steel construction throughout, with soft bumpers on the leading corners
