# Optirack light

*Innovation*

Animal welfare inspections are easy with our Optirat light. This accessory lights up an entire column of cages, and offers one-touch on/off. It is available in battery or AC versions.

The light mounts on any Optirack in less than 5 minutes, and removes just as easily for washing or autoclaving. LED bulb provides 50,000 hours of light. Choose from a frosted bulb or frosted bulb with a red cover.
